

Anime-ZAP!

Events Guide

Main Events

Cosplay Masquerade

The cosplay contest is a chance to show off your cosplay costumes and/or your skits to compete to be the best in show.

Rave Dance

A dance built with rave lights, glowsticks, and awesome. We've got some great techno electronic music lined up for an all-night funky-electric-beat-thumping experience.

Official Cosplay Photoshoots

Preserve your amazing costume in digital picture format in our mobile official cosplay costume studio. Find us inside the dealer's room area, to the back.

Host Club

The host club is open throughout both days of the convention, with various interesting and fun events. There will also be regular host club service once per day - remember to visit the host club in advance to choose your host. Check the host club for their events schedule.

Video & Card Games

Several awesome console and game systems to play on, and plenty of space for playing your favorite card games. Tournaments to be determined.

Anime Showings

Watch the first episodes of some great anime that you may have never seen before, thanks to our wonderful sponsors. See the schedule at the showing room.

Bishie Auction

Want to be sold to a fangirl? Want to buy a bishie? Then this is for you. Your fabulous auctioneer Dante has rounded up only the very best bishies he could find for your date for the dance. So come get those bids up! It is an auction after all...

Panels, workshops, etc.

AMV Learning Panel

Don't you love all those great AMVs? Well now you can learn how to make them too, quick and easy with windows movie maker.

Anime Jeopardy

Think you got the anime know how? Come prove it for prizes, such as hand baked cookies from Honey-sempai.

Art Panel/Finger Painting

Wanna learn art? Come here. Wanna finger-paint like you're in kindergarten? We got that too!

Battlefield (Event)

A role playing game a lot like Super Smash Bros Brawl, with your player being any character you want. You take on the character your cosplaying as, or you can play as just yourself, and you fight other characters.

Back to the past! 70's, 80's and 90's (Panel)

See what it was like for those first Otaku. We will be showing blocks of various OVAs, movies, and episodes. Each block has titles like antihero, giant robots, Saturday morning cartoons, go nagai block, classic hentais, capcom fighting, shojo times, and others. After 10:00pm this event is 18+.

Cosplay Improv/Skits (Event)

Anyone can come to participate in either improv or make up a skit to perform. You can have a cosplay or not. This event is for every one who enjoys comedy.

Cosplayers on Youtube (Panel)

A panel for anyone who wants to start a Youtube with cosplay and anime events. Tips on making your own shows for YouTube, websites, networking, etc. Hosted by a host with thousands of subscribers and fans, found at <http://www.youtube.com/user/Joeyblondewolf2>

Death Note Mafia (Event)

Want to play a game? In this Death Note inspired version of Mafia, you will need to work together with the rest of the group to figure out who Kira is, but be careful! Anyone could turn on you at any moment. Can you figure out who Kira is before it's too late?

FF7 Q&A (Panel)

Are you one of the many who love Advent Children but unfortunately haven't played the game? Well come here and ask all your questions.

FullMetal Alchemist Discussion Panel

Like FMA? New to the series? What to know the differences between the anime, manga, and brotherhood or discuss the video games and pairings? Even if you want to know what Ed's height is then come on and stop by.

Fun Things From YouTube

Tired of being behind the loop? Hate "browsing" through youtube all willy nilly? Come here and we'll show you the funniest and craziness out there!

Hare Hare

Love Haruhi Suzimuya? Of course you do, she's god! Well she wants all her followers to come and learn her favorite dance... that she created herself of course.

Host Club Games

We wanna play some kick the can with you! But since we're inside, maybe some other commoners games will be more appropriate!

Introduction To Video Editing (Panel/Workshop)

Want to learn the ins-and-outs to simple video editing in Windows Movie Maker? This panel will teach you how to easily and affectively control WMM by adding effects, transitions, titles, and everything else you need to start editing!

Lolita Fashion: A Crash Course (Panel)

"Lolita Fashion: A Crash Course" is an informative and interactive panel about the Japanese street fashion for beginners. This classic panel is the first of its kind at Anime-ZAP!, and will teach all that is needed to know about Lolita Fashion, including the history, how to put together a wardrobe, where to buy, the dos and don'ts, as well as explain the myths and misconceptions. The panelist will be holding a charity benefit at the end of the panel, with all proceeds going directly to support cancer research.

The Otaku Shack Manga Cafe

Over 1,400 manga to read and experience for yourself.

Who's Line Is It Anime

Improv is the spice of life, find out at this awesome panel!.
